IMPORTANT

Flu season has begun. Please make sure to immunize your family against the Flu. Also, immunizations need to be current for all students attending Discovery School. Please review and update your immunization records as soon as possible. Children, whose immunizations are not current, will not be allowed to continue attending school until their immunizations are current.

Please keep your child at home if he/she has a fever, or has had a fever within 24 hours; has a heavy nasal discharge or constant cough; is extremely tired or fussy, indicating the possible onset of illness; has impetigo, has head lice or live nits; or ringworm as per The Discovery School Parent Handbook, page 22. We want our children coming to school feeling good and ready to work.

Thanks you so much for your understanding & cooperation!

Our Mission Statement

The Upper Valley Montessori Society known as the Discovery School will strive to provide a unique, child-centered, quality education allowing the child to develop a love of learning based on the philosophy and method of Dr. Maria Montessori, which professes to "Follow the Child."

Our Vision Statement

The ultimate objective of the Discovery School is the development of responsible, self-confident members of the society, respectful of themselves and others, who will develop a positive approach to life and contribute to their community.

"Talent without discipline is like an octopus on roller skates. There's plenty of movement, but you never know if it's going to be forward, backwards, or sideways."

-H. Jackson Brown, Jr.
American Author

Virtue

SELF-DISCIPLINE

"Self-discipline means self-control. You don't lose control of yourself when you feel hurt or angry, but decide how you are going to talk and what you are going to do."

-The Virtues Project

We will be practicing these virtues on a school wide level. A virtue will be introduced every two weeks.
