Our Mission Statement

The Upper Valley Montessori Society known as the Discovery School will strive to provide a unique, child-centered, quality education allowing the child to develop a love of learning based on the philosophy and method of Dr. Maria Montessori, which professes to "Follow the Child."

Our Vision Statement

The ultimate objective of the Discovery School is the development of responsible, self-confident members of the society, respectful of themselves and others, who will develop a positive approach to life and contribute to their community.

IMPORTANT REMINDER

Only 5 Yearbooks remain available for sale. Get your yearbook before they are all sold out.

"We can't help everyone,
but everyone can help
someone."

Virtue

HELPFULNESS

"Helpfulness is being of service to others, doing thoughtful things that make a difference in their lives. Offer your help without waiting to be asked. When we help each other, we get more done."

-The Virtues Project

We will be practicing these virtues on a school wide level. A virtue will be introduced every two weeks.
