## Our Mission Statement

The Upper Valley Montessori Society known as the Discovery School will strive to provide a unique, child-centered, quality education allowing the child to develop a love of learning based on the philosophy and method of Dr. Maria Montessori, which professes to "Follow the Child."

## Our Vision Statement

The ultimate objective of the Discovery School is the development of responsible, self-confident members of the society, respectful of themselves and others, who will develop a positive approach to life and contribute to their community.

## IMPORTANT REMINDER

Only 10 Yearbooks remain available for sale. Get your yearbook before they are all sold out.

"You cannot help someone just by making a wish to do so, you have to take action."

## Virtue

## HELPFULNESS

"Helpfulness is being of service to others, doing thoughtful things that make a difference in their lives. Offer your help without waiting to be asked. When we help each other, we get more done."

-The Virtues Project

We will be practicing these virtues on a school wide level. A virtue will be introduced every two weeks.
