

Discovery School's Annual Ethnic Feast
Friday, April 28, 2017
Discovery School Gym
11:15am.

Dear Parents,

A special tradition that takes place at Discovery School each year is the ETHNIC FEAST. Parents and family are invited to a special lunch that they get to share with their child.

This is a special lunch because each family brings a dish that best represents their ethnic background. It is a special time to share, discover a little more about each other, extend friendship and all of this takes place over delicious and unique foods.

Each family must bring a dish that best represents their ethnic background. If it is a hot dish, you may bring it when you join us for lunch. Please prepare your dish for 50 persons. You are welcome to bring two dishes if you like. Please label all dishware and serving utensils with your name. If your dish will require heating, please bring your own extension cord labeled with your name.

The ETHNIC FEAST will be "Picnic Style." Families need to bring a blanket to accommodate everyone in their party.

We look forward to seeing all of our families sharing, talking, laughing, and enjoying delicious food within this small community we know as Discovery School.

Thank you for your support and participation.

Discovery School Staff & Administration

We would like to know what dish your family will be bringing to share. We will be labeling each dish on the serving tables. Please fill in the information below and return by **FRIDAY, 4/21/2017.** PLEASE PRINT LEGIBLY

Child's name: _____

Dish: _____

Ethnic Background: _____

_____ My child and family will not be attending the ETHNIC FEAST this year.
